

NOVEMBER  
SCHEDULE

# STREET DEGREE

GAIN SKILLS TO BE A TRAINED PEER IN  
OUR COMMUNITY!

## Module 1: Naloxone Training +

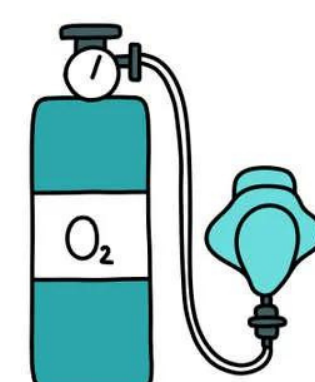

MON Nov 7, 9:30-11:30am @ Overdose Prevention Site

Learn the basics of an overdose response including naloxone training, working as a team, and practice scenarios

## Module 2: Advanced Overdose Response

MON Nov 14, 9:30-11:30am @ Overdose Prevention Site

Advanced airway management, oxygen use, Fentanyl/Benzo overdose response, practice scenarios + more!

## Module 3: First Responder Collaboration

WED Nov 23, 7-9pm @ Rumpus Room, Under One Roof

Calling 911, handing off care to a paramedic, what happens in the hospital? A safe space to discuss after care of an overdose

## Module 4: Safe Consumption

MON Nov 28, 9:30-11:30am @ Overdose Prevention Site

Safe smoking, injecting, and snorting - discussions + demos. Learn from a nurse in the community, ask questions about techniques, practise IV use with arm/vein simulators
